Japanese Studies Summer Program at Saitama University

This 4-week intensive Japanese Studies Program provides international undergraduate students who have an interest in Japanese culture, a good opportunity to study various aspects of Japan -- traditional, modern and contemporary. You can choose from weekday courses which may be of interest to you, as well as the chance to go on weekend excursions in and around the Saitama/Tokyo area.

All classes will be conducted in English, and an introductory Japanese language class will also be available for those who wish to start learning this interesting and unique language.
