Saturday, 3rd May, 2025

In celebration of the Sinhala and Tamil New Year, the Geography Society of the University of Peradeniya proudly organized "Sarasavi Vasanthaya", a vibrant cultural event held at the University playground. The event brought together students and staff to enjoy traditional games, music, and dance, creating a lively atmosphere that highlighted the rich heritage of Sri Lankans. Dressed in traditional attire, participants engaged in activities such as kana mutti bindeema and kiri kaweeema, reviving customs that foster unity and joy. This event not only strengthened bonds within the university community but also emphasized the importance of preserving cultural traditions in a modern academic environment.

In the evening, the celebration continued with the "Padura", a musical gathering that created a relaxed and festive ambiance. Students showcased their musical talents through singing, dancing, and instrumental performances.
