A low-angle photograph of a tree with a lantern hanging from a branch against a cloudy sky. The tree's branches are silhouetted against a pale, overcast sky. A black, lantern-style light fixture is suspended from a thick branch. The lantern has a white, rectangular light source inside. The tree's trunk and branches are dark and textured. Some leaves are visible on the right side of the frame. The overall mood is quiet and somewhat somber.

FACULTY OF ARTS

University of Peradeniya | Sri Lanka

VISION

The **Vision** of the Faculty of Arts is excellence in education, research, and creative thinking in the Social Sciences and Humanities for the betterment of individuals and society.

MISSION

Its **Mission** is to produce a graduate who is committed to the advancement of knowledge through critical and independent scholarship, and is imbued with human qualities and a sense of duty towards society.

1.1 Our History

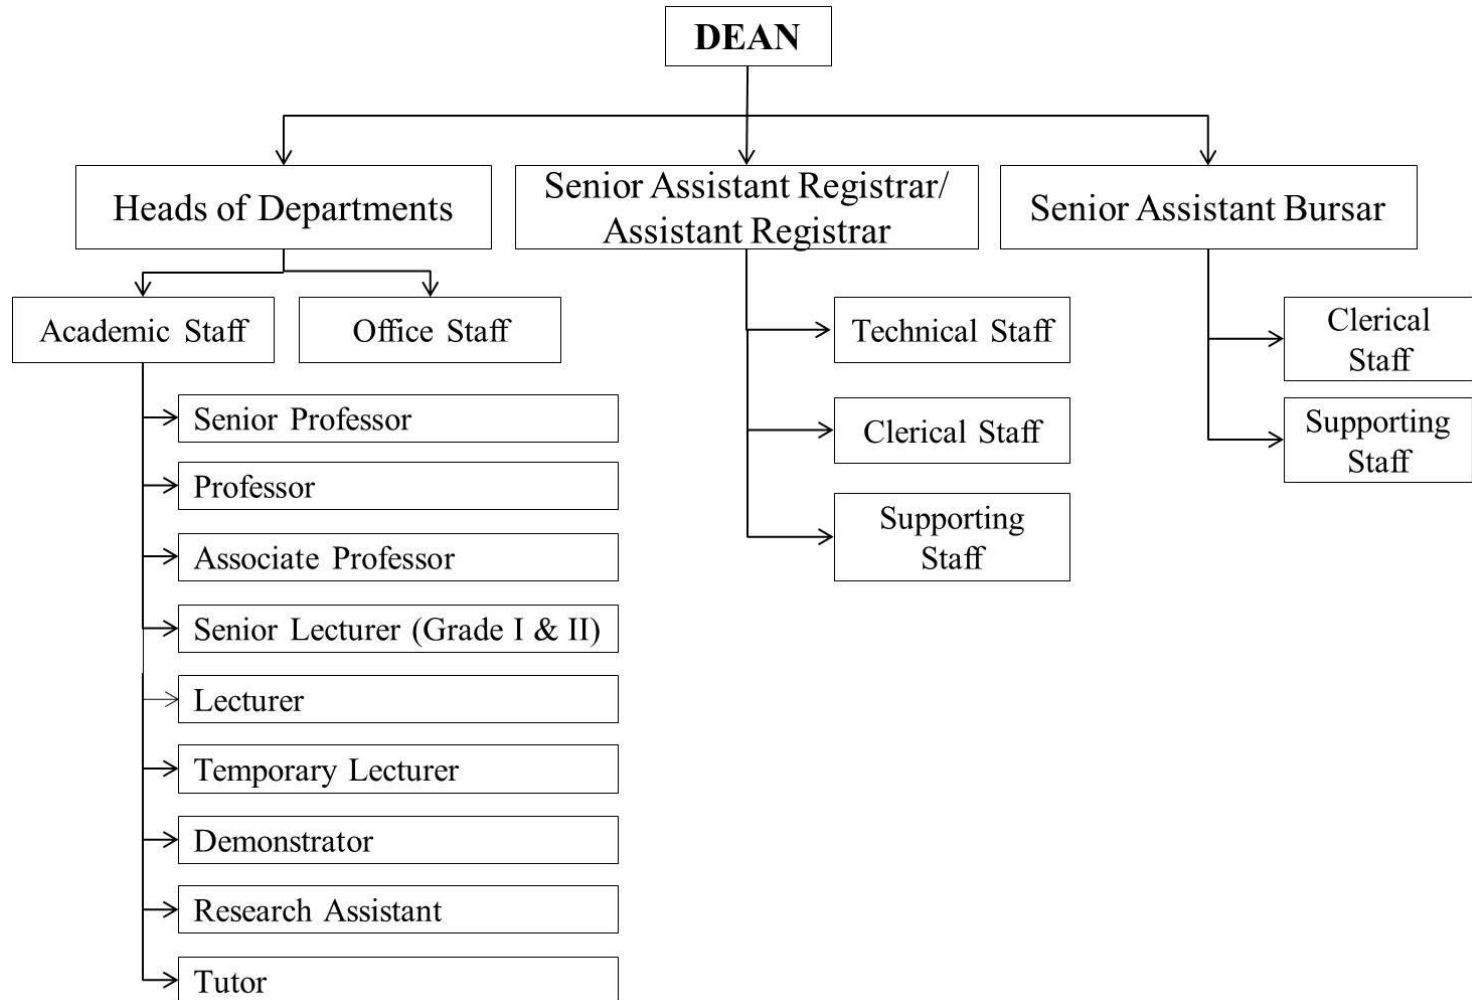

The history of the Faculty of Arts of the University of Peradeniya dates back to the early beginnings of university education in Sri Lanka. The predecessor to the Faculty of Arts was established in Colombo as part of the University of Ceylon in two faculties called the Faculty of Arts and the Faculty of Oriental Studies. These two Faculties were moved to Peradeniya in 1952 and were amalgamated in 1972 to form the Faculty of Arts as it is known today.

The twenty years from 1952 to 1972 saw the expansion of the Faculties of Arts and Oriental Studies. The original seven departments of study of the two Faculties were Classics, Economics, English, Geography, History, Oriental Languages, and Philosophy. The Department of Oriental Languages was divided in 1943 into the four separate Departments of Sinhala, Tamil, Pali, and Sanskrit. This was followed by the addition of several other academic disciplines to the Faculty: Law and Arabic in 1945; Sociology, Education and Modern Languages in 1949 (French and German had been taught for many years as subsidiary subjects); Archaeology in 1959; and Buddhist Philosophy in 1964. The most recent additions to the Faculty are the Departments of Fine Arts, and Law established respectively in 2001 and 2009. A sub-department of English for the teaching of English as a second language was set up after *svabhāshā* (i.e., non-English medium) students entered the University. In addition, French is also available as a subject for the Bachelor of Arts (General) Degree Programme.

The Faculty is one of the premier centres of teaching and research in the humanities and the social sciences in Sri Lanka. It has a long-established research tradition and a highly respected publication record. It also conducts the oldest continuing academic seminar series in the Sri Lankan university system, the Ceylon Studies Seminar. In 1942 the Faculty brought out the first academic journal in the social sciences and the humanities to be published in Sri Lanka, *The University of Ceylon Review*. After the publication of this journal was discontinued in 1965, the Faculty commenced the publishing of two separate journals, the *Sri Lanka Journal of the Humanities* and *Modern Sri Lanka Studies*. In 2002 the Faculty commenced publishing two new journals, *Sambhavana* (in Sinhala) and *Palkhalai* (in Tamil).

Individual members of the academic staff of the Faculty of Arts participate in projects funded by many local and foreign agencies. Members of the Faculty provide consultancy services to various organizations. The Departments of Arabic and Islamic Civilization, Archaeology, Classical Languages, Economics and Statistics, Education, English, English Language Teaching, Fine Arts, Geography, History, Information Technology, Law, Pali and Buddhist Studies, Philosophy, Political Science, Psychology, Sinhala, Sociology, and Tamil provide expertise and consultancy services to various government agencies.

GPA ஐக் கணக்கெடுக்கும்போது தகுமதிப்பெண் அற்ற பாடங்கள் கணக்கில் கொள்ளப்படாதபடியால், பட்டப்படிப்பொன்றைப் பூர்த்தி செய்வதற்கு தகுமதிப்பெண் அற்ற பாடங்களைப் பூர்த்திசெய்வது அவசியமற்றது. தகுமதிப்பெண் அற்ற பாடமொன்றைப் பயிலும் மாணவர் அப்பாடத்துக்கான பாடத்திட்டத்தில் நிர்ணயிக்கப்பட்டபடி அவசியமான சகல விடயங்களையும் நிறைவேற்ற வேண்டும். தகுமதிப்பெண் அற்ற பாடங்கள் விவரண மதிப்பெண் பட்டியலில் இடம்பெறும்.

GPA கணக்கெடுக்கப்படும் இந்தப் பாடநெறிகள் 6 தகுமதிப்பெண்களுக்கு மேற்படாதிருக்க வேண்டும். சுயேட்சையான பாடநெறிகள் 4000 மட்டத்தில் மட்டுமே வழங்கப்படும்.

7. விரிவுரைகளை மாத்திரம் செவிமெடுக்கும் கற்கை நெறி

பட்டப்படிப்பொன்றை நிறைவு செய்வதற்கு கவனத்திற் கொள்ளப்படாத ஒரு பாடநெறியான கேட்டல் கற்கைநெறியாக குறித்த பாடமொன்றை ஒரு மாணவர் பயிலலாம். குறித்த பாடங்கள் எவை என்பதனை திணைக்களம் தீர்மானிக்கலாம். GPA

கணிப்பதற்கு இப்பாடங்கள் கவனத்தில் கொள்ளப்படுவதில்லை. குறித்த பாடநெறிக்கான விரிவுரையாளர்களிடமிருந்து அறிக்கைகளைப் பெற்றதன் பின்னர் குறித்த துறையினால் குறித்த மாணவர் அப்பாடநெறியைப் பயின்றார் என்பதை உறுதிப்படுத்தும் ஒரு கடிதம் வழங்கப்படும். இத்தகைய கடிதம் 80% வருகை தந்த மாணவர்களுக்கு மட்டுமே வழங்கப்படும்.

2.6 Class Attendance Policy

The Faculty of Arts follows the 80% attendance policy that has been approved by the 315th Faculty Board. All students are expected to fulfil this requirement in order to be eligible to sit the end-semester examination.

The guidelines for 80% of attendance rules are as follows:

1. The formula for calculating the 80% attendance is:

$$\text{Percentage of attendance} = \frac{\text{Total number of Lectures, Discussion, and Practical Classes attended by a student out of 12 classes}}{\text{Total number of Lectures, Discussion, and Practical Classes held}} \times 100\%$$

If a student gets less than 80%, he/ she is ineligible to sit for the end semester examination [To be eligible, a student should have attended 09 classes out of 12 classes].

2. The total number of lectures and discussion/ practical classes held will be equal to 12 classes (lectures/ discussion/ practical classes) starting from 02nd week of the semester to 13th week of the semester.
3. The Departments of Study shall submit the list of eligible students to the SAR of the Faculty on or before the last date of the 14th week of the semester. Any submissions after this date will not be considered.
4. The Department of Study shall maintain records of all attendance to submit to the office of the Dean upon request.

SECTION THREE

Academic Programmes

3.1 Department of English Language Teaching (DELT)

The Department of English Language Teaching of the University of Peradeniya (DELT) serves all nine faculties of the University through English Language Teaching Units (ELTUs), but is administratively located within the Faculty of Arts. Its primary objective is to teach English to undergraduates for academic, professional, and general purposes. While individual faculties have specific requirements and courses to fit their English Language needs, the Faculty of Arts offers English as a Second Language (ESL) courses to its students at three competence levels in the first, second and third years of study.

English Language for Arts (ELA) Courses

Students will be assigned these courses on the basis of their performance at the Placement (Exit) Test conducted at the end of the Intensive English Programme. ELA 1101 and ELA 1202 are courses that ensure Basic English Competence, ELA 2103 and ELA 2204 target Intermediate English Competence, and ELA 3105 and ELA 3206 address Advanced English Competence. On successful completion of each of the first two levels, a Certificate of Competence will be issued to students, while on successful completion of the third level a Diploma Certificate will be awarded. **Successful completion of the Intermediate Level (ELA 2103 & ELA 2204) is required for the award of the BA Degree.**

ELA 1101: Basic English Reading and Writing

This course will enable students to read, understand and evaluate basic descriptive texts, and to write accurately at UTEL Band 4 Level of competence in the skill areas of Reading and Writing.

ELA 1202: Basic English Speaking and Listening

This course will enable students to understand simple instructions, statements, notices and questions, and to be able to formulate these themselves, placing them at UTEL Band 4 Level of competence in the skill areas of Listening and Speaking.

ELA 2103: Intermediate English Reading and Writing

This course will ensure that students are successful at UTEL Level 5 in the Reading and Writing examinations. More specifically, the course aims to familiarize students with academic texts of a descriptive and argumentative nature, including visuals such as graphs and tables, as well as to ensure that they can summarize, take notes, skim and scan effectively, and write short narrative/ descriptive/ informative texts.

ELA 2204: Intermediate English Speaking and Listening

This course ensures that students are successful at UTEL Level 5 in the Listening and Speaking examinations. They will, therefore, be able to listen to and grasp the main idea of a short speech, through an understanding of sequence markers and key vocabulary related to these spoken texts, which will include subject-related English for Academic Purposes (EAP). Students will also be able to make short descriptive speeches about themselves, their surroundings, and their basic substantive disciplines.

ELA 3105: Advanced English Reading and Writing

This course ensures that students are successful at UTEL Level 6 in the Reading and Writing examinations, and is designed to enable them to understand and respond to a range of genres on a variety of issues of academic and general interest.

ELA 3206: Advanced English Speaking and Listening

This course will ensure that students are successful at UTEL Level 6 in the Listening and Speaking examinations, by familiarizing them with both H&SS-related academic/professional and generic texts, leading to the development of the required levels of fluency. The course will enhance the students' skill in effectively discussing a range of general issues at the appropriate level.
