【Important Reminder】

Japanese Language Courses Online Registration for HUSTEP

To take Japanese Language Course, all students MUST complete the online application and take the online placement test between 3:00PM, Monday, September 11th and 3:00PM Monday, September 25th. (Japan Standard Time)

https://jpncourse.oia.hokudai.ac.jp/entry/

Students who do not apply during this application period will NOT be able to take Japanese Language Course for any circumstances. Please make sure to apply during the designated application period.

Application Form for Japanese Language Course

For further details, please check the website.

https://www.global.hokudai.ac.jp/current-students/japanese-language-support-2/

【Important】 Please be aware of the followings when applying

1. **Affiliation**: choose your faculty/department/school

    ex. School of Engineering, School of Sciences, Faculty of Letters, etc.

2. **Status**: choose "HUSTEP"

    If you choose another status, we cannot only confirm your registration but also issue your transcript appropriately.

3. **For those having a hard time deciding on classes between Introductory and Intermediate level at this moment…**

    Please select the classes from BOTH Introductory and Intermediate levels.

    If you choose only Intermediate class and your placement test score is not sufficient for that level, you would not be assigned to any classes.

4. **For those having a hard time deciding on the classes between Intermediate and Advanced level at this moment…**

    Unlike between Introductory and Intermediate, you are not allowed to choose both Intermediate and Advanced levels at the same time. If you choose Advanced class and your placement test score is not sufficient for that level, you would be assigned to the Intermediate class if seats are available.

Confirmation email and Online Placement Test

After completing online application, make sure that you receive confirmation email. If you

do not receive it, it means that your online application has not completed yet.

In this case, please IMMIDIATELY sent inquiry through

http://www.hokudai.ac.jp/php/jc/faq/

Afterward, you can move on to take the online placement test.

Suggestions and Others

We will explain the details of registration procedure for HUSTEP course at the orientation after your arrival.

Once the syllabus is updated, you refer to it to make your tentative class schedule in ahead of time. Please note that you are not able to change your Japanese Language Course once you are assigned.

- HUSTEP course syllabus: will be updated in September
